Permanent Court Reservations will begin on September 1. We're looking forward to seeing you all back at A-Copi every week!

WHEN SHOULD I RESTRING MY TENNIS RACQUET?

1 FREQUENCY

SUN MON TUE WED THU FRI SAT

PLAY 2 DAYS/WEEK = RESTRING TWICE A YEAR

Take the number of days a week that you play and use that as the number of times a year you should change your string.

2 LISTEN FOR THE "PING"

PING!

When you tap your fingers on a set of fresh strings, you should hear a "ping" sound. Dead strings will sound like a "thud." Restring when you don't hear a ping.

3 LESS TENSION = LESS CONTROL

When your strings begin to lose their gusto, it could mean that it's time to restring.

Are your strings strung out? Anyone interested in getting their racquets restrung, we offer great strings at great rates! If it has been a while since you have had your racket restrung, please feel free to drop it off to Director of Tennis Chris Nordenson.

KVTA Annual Meeting - Wednesday, August 21, 6:30 pm

All are invited! Come hear about the great things happening at A-Copi and meet the volunteers on the Board of Directors. Members will be voting on new Board nominees.

We hope you will attend!

Pickleball anyone? We have two certified instructors, [Sherry Norton](#) and [Dan Bence](#). Email them and get in on the game! You'll love it!
