Safety Announcement

Drive safely through our parking lot. No speeding! Watch for other cars as well as adults and children walking through the parking lot. There have been a few incidents of aggressive/fast drivers over the last few weeks.

Great Pickleball Tournament! Our Fall Pickleball tournament held last Saturday was a huge success. We had 90 pickleball players participating including many regulars that play at A-Copi. A special thank you to Susan Starbird and Dan Bence for all their hard work in organizing and setting up the fantastic tournament. Another thank you to our front desk employee Lauren Bourque, who handled the gigantic crowd in a timely manner and made sure everyone was taken care of! Great job and thank you to all! Pictures to come...

Clean shoes only on the courts! Please no dirty, muddy shoes in the tennis club. We have shoe covers that can go over shoes if people do not want to take off their shoes. We work hard to keep the facility clean, so please help us by taking off or changing your outside shoes before entering into the tennis club. Only dedicated indoor racquet sports sneakers are allowed onto the tennis courts.

Please remember to call and sign up at least 24 hours in advance for any clinics, mixers, scrambles that you are interested in attending. The more notice of how many people we have, the
