

**Tennis, Youth Programs, Pickleball, Lessons, Clinics... KVTA has it all!**

### **Holiday Hours**

**We will be closing at noon on Tuesday, December 24 and will be closed all day Wednesday, December 25.**

As a reminder, permanent court times are still in effect over Christmas break, so if you are not going to be using your court, please call the club and let us know you will not be coming.

### **Racquet Stringing 20% Discount**

20% off racquet stringing is still going on for the month of December! Only a few weeks left, so if you need your racket strung, come in for the special holiday pricing.

### **USPTA Elite Pro Tip of the Week**

Answer to last week's Elite Pro Tip: "Racquet pathway." If the contact point is correct, the ball will always go back in play. However, the best way to get to that point is with correct preparation and spacing. Ask your pro...you may be late.

This week's Tip of the Week: Consistency and depth are two important factors in all tennis strokes. Add location and you can own the first "4 Shots", which account for 70% of all points in tennis... and you only need 55% to win. Maybe a different approach, but it is how the game is played.
